STREAMS

VISIT WWW.SPRAYNET.COM OR WWW.SPRAYNETFRANCHISE.COM FOR MORE INFORMATION

Three revenue streams, one franchise.

1

EXTERIOR PAINTING

Our exclusive coatings result in a factory finish that looks brand-new and won't peel. We're so confident in our chemistry that all projects are backed by our 15-year NO PEEL warranty.

2

KITCHEN CABINET PAINTING

The combination of our proprietary primer and high-performance polyurethane coating delivers all the benefits of brand-new kitchen cabinets, but for a fraction of the cost.

3

ROOF RE-GRANULING

Liqua-Roof™ is our patented and first-of-its-kind granulated color coat that allows homeowners to change the color of their roof while adding 15+ years to its lifespan.

INTELLECTUAL PROPERTY

PATENTS & TRADEMARKS

Our patented processes allow us to deliver a unique service with a high barrier to entry!

OUR FORMULAS

13 proprietary formulas allow us to deliver the most customized and durable paint job on the market!

SPRAY-NETWORK

Our completely custom software allows you to run and scale your business effectively!

INVESTMENT

Our total investment includes all the initial capital required to start up your franchise as well as the potential operational costs that are needed before you start to generate revenue. Our turn-key start-up package includes everything you need from business cards to the drill needed for on-site work.

* The investment range is fully detailed in item 7 of our franchise disclosure document.
